EDUCATION

K S school of Engineering and Management   **July 2020 - June 2024**
Bachelor of Engineering in Computer Science and Engineering   *Bangalore, India*
Highest SGPA : **6.9**

Shiksha Niketan sr. sec. school   **May 2019**
*Higher Secondary Certificate (PERCENTAGE : **73.8**)*   *Jammu, India*

WORK EXPERIENCE

- Bharat Intern   **OCT 2023 − March 2024**
Intern - Frontend Developer Certificate
• weather app,website home page
• For this projects, I worked with HTML, CSS, and JavaScript. I also incorporated the weather application's API.
• The weather app allows you to search for any area and displays the current temperature. Skills Developed: HTML, CSS, Javascript, API

TECHNICAL SKILLS

Languages :   C/C++, JavaScript, SQL,PYTHON, HTML, CSS, JAVA,REACT
Tools :   VS Code, Git, GitHub

PROJECTS

1. PLACEMENT MANAGEMENT SYSTEM   **(Database)**

- Built a Placement Management System to streamline campus recruitment.
- Created secure databases for students and companies to manage hiring efficiently.
- Improved transparency and coordination between students, employers, and the college.

2. IMAGE FORGERY DETECTION USING CNN   **(Machine Learning)**

- Built an image forgery detection system using CNNs and adaptive oversegmentation.
- Trained models on diverse image datasets for accurate manipulation detection.
- Applied key feature point matching for precise and efficient forgery identification.

3. Weather app   **(Frontend)**

- Developed a responsive Weather App using React and OpenWeatherMap API to display real-time weather data for any city.
- Implemented search, geolocation, and dynamic UI features for an interactive user experience.

-

CERTIFICATIONS / ACHIEVEMENTS

- **BOLT IOT** : Frontend fundamentals Certificate

- **COGNITIVE CLASS.AI** : Machine Learning with Python Certificate

- **INTERNSHALA** : Full Stack Development: Let's Begin Certificate

- **INTERNSHALA** : Designing Web Pages Using HTML & CSS Certificate

- **INTERNSHALA** : Git & GitHub: Mastering Version Control Certificate

- **INTERNSHALA** : Developing Interactive Websites with JavaScript Certificate

- **INTERNSHALA** : Cracking the Code: DSA in JavaScript – I Certificate

EXTRA CURRICULAR ACTIVITIES

- POLIO AWARENESS WALKATHON Certificate
